The Directors
SAS International
31 Suttons Business Park,
London Road Reading,
Berkshire RG6 1AZ, UK

Attention: Matthew Branigan
By email: MBranigan@sasint.co.uk

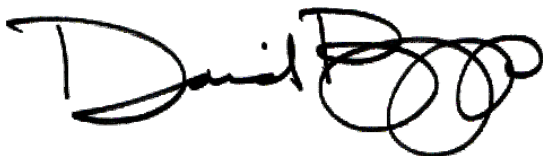

Dear Matthew,

The purpose of this letter is to clarify matters set out in the Global GreenTag certificate. It provides additional information on the scope, limitations and exclusions of the certificate issued based on information provided by the applicant and its suppliers. It is not a certificate and is not a substitute for the certificate, nor does it include any product variants apart from those specifically shown below.

Scope definition	The certificate applies to Grid systems, plain and perforated steel and aluminium tiles with optional backings (tissue facing – non woven, acoustic insulation, reinforced foil facing), produced by SAS International at their Bridgend, UK factory.
GreenTag Standard	Global GreenTag International Standard v4.1
Certification level	GreenRate Level A
Licence number	SAS:CT01:2024:GR
Limitations and exclusions:	The certificate only applies to products using steel or aluminium tiles (plain or perforated). The certificate only applies to the following add-ons: Lantor Non Woven tissue facing, Rothel aluminium foil backing and Rockwool mineral wool.
Greenstar Building v1.0 Responsible Product Value Credit/s	<u>Your GreenTag certificate/s are recognised to meet the minimum RPV credit criteria for:</u> Responsible Finishes - Good Practice products (RPV ≥ 7) <ul style="list-style-type: none"> GreenRate Level A <u>Your GreenTag certificate/s can be used in the following initiative combinations to meet the minimum RPV credit criteria for:</u> Responsible Finishes - Best Practice products (RPV ≥ 12) <ul style="list-style-type: none"> GreenRate Level A + (Climate Active Carbon Neutral for Products & Services Industry Wide EPD [EN 15804] Product Specific EPD [EN 15804])

This information is provided to the applicant in complement to the certificate in order to ensure that the Global GreenTag Certification Mark is used only for products covered by the scope defined therein and in accordance to the current GreenTag Rules for the Use of Mark, and Terms and Conditions documents.
